Bentonville, AR 72712
mwallenmeyer@nwacc.edu

Dear Mrs. Rhoden and Mr. Wallenmeyer,

I am writing to inform you of my intent to request early acceptance into the University of Arkansas for Medical Sciences, College of Health Professions, Radiologic Imaging Sciences program beginning fall 20____. I am a current student in good standing at Northwest Arkansas Community College, I have completed my Certificate of Proficiency in Pre Radiologic Imaging Sciences at NWACC and have maintained a cumulative and prerequisite GPA of 3.5 or higher.

I understand that I will need to complete the Technical Certificate in Pre Radiologic Imaging Sciences in order to be admitted to the RIS program. Below are the remaining courses needed to complete my Technical Certificate and the semester in which these courses will be completed.

Ex: MATH 1203 College Algebra - Spring 2021
BIOL 2214 Anatomy and Physiology II - Summer 2021

I understand that this document is a non-binding agreement and does not guarantee acceptance into the RIS program. I am aware I must complete all CHP application procedures by the advertised Radiologic Imaging Sciences early admittance deadline.

Respectfully,

Date:
