<b>SOCIAL SCIENCE</b>								
SOCI	2013H	General Sociology, Honors	Jenna Bateman	3	Face to Face	BH 2462	MW	9:00-10:15 AM

\* Honors Special Topics classes are created by Honors Arkansas, a consortium of Honors Program and Colleges throughout Arkansas. The class is free and open to Honors Program members.

The 1 unit class consists of interacting with/listening to speakers from around the state on Tuesdays and completing a discussion based on each day's "theme."

The 3 unit class does the same but adds a project (which students will choose and create together).

If you are interested, let Sabrina Chesne know - schesne@nwacc.edu. This is not a class you can register for through Workday.

The class can transfer but is not part of the hours you need to earn your degree at NWACC.
