## **REGISTER FROM ACADEMIC PLAN**

Academic Plans are available for use by all NWACC students. If you are pursuing a Program of Study with an Academic Plan template, your plan will automatically populate using this template. This plan can still be edited, even if the template populates.

Before you register, we encourage you to create an Academic Plan from which to register. **The Academic Plan is not equal to your registration; it's a plan that makes it easy for you to choose the right courses from your Plan for each Academic Period.** If you need instructions for creating your academic plan, review the Academic Plan QRG.

## Register from Academic Plan

- Navigate to your **Profile** by clicking your photo or person icon in the upper right-hand corner and select View **Profile**.
- 2. Click the **Academics** tab.
- 3. Click on the **Plan** sub-tab.
